50 CAPS, 150 PAIRS OF MITTENS RECEIVED HERE

Some 150 pairs of mittens and 50 caps have been received by the local nursery schools from various groups in the New England states during the past week. More are expected to arrive shortly.

These mittens will be kept at the schools to loan to pupils who forget to wear their mittens and caps. They will also be used when playing with the wheel barrows and sleds which were received from a thoughtful colonist for Christmas.

Should there be extras, they will be distributed to pupils who do not have any.

Reservations may be made with Mr. Matsuo of Block 45; Mr. Komiya of Block 26; or Mr. Takahashi of Block 19.

PARENT-TEACHER ASSOCIATION ORGANIZE AT GRADE SCHOOLS

CLOSER TIES BETWEEN TWO FACTIONS ARE STRESSED BY ORGANIZATION

In order that the parent may have a closer relation with the school and its authorities, parents and teachers met at the three elementary schools last week to form a Parent Teachers Association.

Kenneth Harkness, supervisor of Education, was the chairman of the evening, and Martin P. Gunderson the speaker for the evening.

Gunderson stated that only through the P.T.A. could the parents understand what teachers were doing for their children and what the children were doing at school. He stressed that the aim was to have the parents responsible for the P.T.A. activities rather than the teachers.

Mr. Hayashi was chosen temporary chairman for the "Rim Rock" P.T.A. and James Takahara the chairman for the Washington P.T.A.

The Lincoln elementary appointed a committee rather than a temporary chairman. Those named on the committee were Mrs. Toriumi, Mrs. Ishikawa, Mrs. Igarashi, and Mrs. Sasaki.

BIRTH PAPERS ARE NEEDED FOR REVIEW

Attention is called to those who have completed their application to leave. When applications are taken to the Placement Office for final review, all citizens should bring their birth certificates with them.

It will be returned after being noted on the application. This does not apply to those who have already turned in their applications.
